Profile 1: Advocacy Professional
AzFBN seeks an experienced advocate who has planned and implemented advocacy strategies and campaigns to support an issue or cause. We seek a board leader to help cultivate our leadership role in advocacy that supports our staff as part of our broader commitment to increase awareness about the importance of our mission, influence public policy and expand our reach. A strong candidate should have strong connections to state and national decision makers in a position to positively impact our work to end hunger.

Profile 2: Individual with Food System Experience
AzFBN seeks an individual who has experience in food supply (i.e. grocery or agriculture/production) or food delivery (i.e. restaurant or distribution). We seek a leader who can provide critical input to enhance our transportation system or Friends of the Farm program. A strong candidate will have significant prior experience with the food system at a critical decision making level.

Profile 3: School Professional
We are looking for an individual who understands school operations and school meal service. This leader should understand school food service budgeting, ordering, and claims/reimbursement processes. A strong candidate will understand the impact of federal and state policy changes on the local jurisdiction. The ideal candidate will understand how food banks and school meals work together to address childhood food insecurity.

Profile 4: Shorten the Line Professional
AzFBN seeks an individual who works in affiliated industries such as employment and training, healthcare, housing or education. We seek a professional who understands the many challenges faced by individuals struggling with food insecurity and seeks solutions to prevent the need for emergency food providers. This leader may work directly with consumers and understands the systems they interact with.

Profile 5: Individual with Lived Experience
AzFBN seeks to better understand the challenges faced by individuals struggling with hunger and the multiple resources they access in getting the nutrition they need. This individual could have current or prior experience with free/reduced school meals, Supplemental Nutrition Assistance Program (SNAP), Women, Infants and Children (WIC) or visited a food bank. This leader would understand the resources in his/her community and can articulate the barriers in becoming food secure.

Profile 6: Community Partnership Representation
This individual could represent an agency partner that works with a member food bank, a tribal community or rural area. This individual would provide critical feedback about how our network currently operates and what improvements could be made to improve access to emergency food. We seek a leader that represents the community they serve and a desire to improve service.
