Food Security Coordinator
AmeriCorps VISTA

Effective Dates: 06/06/2022 - 06/05/2023
Sponsoring Organization: Arizona Food Bank Network
Site Location: Ajo, Arizona
Primary Focus Area: Food Security – Healthy Futures

Position Description

Please note this position can be performed either remotely or in-person. The goal of this VISTA project is to assist with building the capacity for the Ajo Food Pantry, host organization (Ajo Center for Sustainable Agriculture) and the community at large. The Food Security Coordinator will develop rules, regulations, volunteer guidelines, and best practices for the Ajo Food Pantry as well as assist with the community food security assessment. Based on gained experiences and research of the newly implemented Ajo Food Pantry, these findings will enable the Ajo Food Pantry, Ajo Center for Sustainable Agriculture and partners to better serve the food insecure population of Ajo and its surrounding communities, in specific the western districts of the Tohono O’odham Nation. Through the efforts of the VISTA member, those that are food insecure will be able to continue to access food and other food-security-related resources.

Throughout the first year of the project, the VISTA will work towards building capacity by conducting an Ajo Community Food Assessment, creating an Ajo Food Security Plan, developing the Ajo Food Pantry Guidelines and Policies, creating and implementing the Ajo Food Pantry Fundraising Plan, and conducting an Ajo Food Pantry Volunteer Recruitment and Cultivation Plan.

The outcomes of the VISTAs work will result in improved access to healthy, nutritious, locally-grown and culturally-appropriate foods for those in need and improving the local partner capacity through acquiring new skills and knowledge, and relationships.
